

Time to Say Goodbye: A Guide to Empowerment During Illness & Aging

By Barbara Olive

Barbara Olive, *Time to Say Goodbye: A Guide to Empowerment During Illness & Aging*. Milwaukee, Wisconsin: Lemieux International, Ltd., 1998.

Time to Say Goodbye does not follow the usual impersonal textbook or lecture approach often found in other death and dying care-giving books. Barbara Olive has been a professional hospice nurse whose career has spanned more than 18 years. During that time, she learned about death, dying, love, and empowerment. Families facing an impending death will find this to be an inspiring and compassionate guide. Barbara Olive says she wrote *Time to Say Goodbye* "to make the journey easier for all of us." This outstanding hope-filled book does just that.
